## 2024 BIBLE READING PLAN

The Scriptures have been used for thousands of years as a primary means to follow Jesus through reading, meditating, and applying God's Word to our lives. We believe that the Scriptures are divinely inspired and applying them is essential to following the way of Jesus.

To prevent overburdensome requirements and unrealistic expectations, we ask that you carve out 15-20 min three times a week to read, pray, and meditate on 1-2 chapters from the assigned Scriptures for the week. If you miss a week or are unable to read, do not feel a pressure to "make up" a week, simply continue reading and seeking to understand the message of Jesus for your life. Here's a suggested way to spend those 15-20 min:

- **Pray** and ask the Lord to reveal the truth of His Scripture to you.
  - **Read** 1-2 chapters at a time.
  - **Engage** with the text by journaling the answers to these simple questions:
    - **WHAT** is the one biblical truth that was highlighted to you through your time?
    - **HOW** is the Lord calling you to respond in a simple/measurable step of obedience?
    - **WHO** is one person that God is inviting you to reach out to this week?
  - **Meet up** in a Group to receive prayer and encouragement in your walk with Jesus.
